CLAIMS JOHNSON SHOULD HAVE TOGA

E. M. Atkin Disputes Leonard Wood's Right to Theodore Roosevelt's Mantle in Speech Here

HE RECALLS WORDS OF T. R.

Cites Johnson's Record as Lawyer, Governor of California and Opponent of League of Nations

The question of whether Leonard Wood or Hiram Johnson, republican presidential candidates, have the right to wear Theodore Roosevelt's mantle, was discussed at length last night in the court house assembly room by E. M. Atkin of Washington, D. C., a speaker from Johnson headquarters, who reviewed the California senator's political career and stressed particularly his opposition to the league of nations in any form.

Mr. Atkin was listened to attentively by a crowd of approximately fifty persons. He recommended Senator Johnson because of his record he had made in progressive legislation during his two terms as governor of California and for his stand on important questions while he has been in the United States senate.

"When Hiram Johnson was nominated for vice-president on the progressive ticket in Chicago in 1912," said the speaker, "Theodore Roosevelt, with his hand clasping Senator Johnson's, turned to him and said, 'You have nominated a man for vice-president who is fit to be president'."

In this way Mr. Atkin clinched his argument that Hiram Johnson was more entitled to don Roosevelt's toga than Leonard Wood. He declared that the only commendation of Gen. Wood ever uttered by Roosevelt was when he praised the general for his service in Cuba.

"If Hiram Johnson was fit to be president in 1912, in the opinion of Roosevelt," the speaker continued, "he is still fit to be president because if Hiram Johnson has done anything to change that approbation, I have never heard of it."

Mr. Atkin paid particular attention to Gen. Wood and the methods which have been employed by his campaign managers. He reviewed Wood's life briefly, recalling that he was first a doctor and joined the army as such; that in all of his service in the army, he was never on the first line but once, and then for only three months, when he saw only one battle. The speaker declared the general was never wounded but once, and then only slightly in the arm when a motor exploded twenty miles away in France, while he was on a tour of inspection.

Senator Johnson's speech last night was continued on Page Three

REPORTS A SOLDIER BONUS BILL TO HOUSE

Ways and Means Committee by Strict Party Vote Decides on Relief Measure

SOME OF ITS PROVISIONS

(By United Press.)

Washington, April 30.—The ways and means committee today by a strictly party vote favorably reported to the house the soldier bonus bill. If approved by the republican caucus today, the measure will be called up in the house next Monday for action.

Democrats strongly opposed the provisions of the bill which provides for a tax on sales, but were outvoted by the republican. As reported the bill provides that all benefits should extend only to service between the date of the declaration of war and January 1, 1920.

Chairman Fordney, of Michigan, in reporting the bill, declared it was certain to pass. One of the last minute changes brought captains of the army and marine corps and lieutenants of the navy under the benefits.

Applications for cash bonuses must be made within six months and all other benefits within one year, Fordney said.

CHILD SERIOUSLY BURNED

William Ervin, Jr., 4 Years Old, Pours Coal Oil on Fire

William Ervin, Jr., four-year-old son of Mr. and Mrs. William Ervin of South Harrison street, who was seriously burned on the lower parts of his body, Wednesday at noon, when he poured coal oil on the fire, is improving slowly.

Mrs. Ervin had stepped out of the house for a few minutes when the lad decided to experiment with the coal oil. It probably would have been fatally burned if his mother had not returned at the time she did.

PEACE RESOLUTION ACTED ON FAVORABLY

Measure as Reported Out by Senate Committee Requests President to Open Negotiations

DIFFERS FROM ONE IN HOUSE

(By United Press.)

Washington, April 30.—The senate foreign relations committee today ordered a favorable report on the Knox peace resolution.

The committee vote was 9 to 6. The resolution was a revision of the original one introduced by Knox. It differs also from the one recently passed by the house.

As revised the measure provides for a repeal of the declaration of war against Germany and Austria-Hungary and requests the president to open negotiations with these countries "for the purpose of establishing fully the friendly relations and commercial intercourse existing prior to the declaration of war."

The resolution specifically declared that the United States waives none of its rights under the armistice of the treaty of Versailles. Provision is made that all property of the German government or its nationals seized by the United States shall remain in the possession of the government until Germany has by the treaty with the United States made provisions for settlement of all claims.

OFFICIAL RESIDENCE BOUGHT IN RUSHVILLE

House Belonging to Mary Dixon Estate Bought For The District M. E. Parsonage

TO BE OCCUPIED NEXT FALL

A committee of Methodist laymen of the Connersville district has bought the Dixon property at the corner of Morgan and Fifth streets, just across the street from St. Paul's M. E. church, to be used as a district parsonage. The deal was closed yesterday and it was reported that the consideration was \$10,000.

The sale will have to be approved by the court before it is finally completed as the property belonged to the estate of the late Mary Dixon and was sold by Charles A. Manx, acting as a representative of the administrator of the estate, who lives in Cincinnati.

It will be recalled that on Tuesday, April 14, the stewards of the churches of the district voted to establish the official residence of the district superintendent here and the committee of three from St. Paul's church, which had the campaign in charge, together with one representative each from Connersville and Shelbyville and two from other churches in the district was authorized to buy a house in Rushville. Several pieces of property have been under consideration. The house will not be occupied until after the annual meeting of the Indiana conference next September due to the fact that the district superintendent may be changed at that time. Dr. J. M. Walker, the present superintendent is still living in New Albany, having never been able to find a house in any city in this district.

COURT IS QUIET DURING VACATION

Activities To Be Resumed in Circuit Court Next Week When May Term Will Begin

110 CIVIL CASES DOCKETED

An Even 100 Disposed of During February Term—Both Juries Have Been Drawn For May

Vacation week between the February and May terms of court will come to a close tomorrow night, and during this week nothing has been done in circuit court in the way of business and the various offices have been busy finishing up the February business and getting ready for the coming term.

During this week the two juries have been drawn, and Sheriff Jones will begin Monday summoning the jurors for next Wednesday. The grand jurors will not be called, however, until the court orders them, but the petit jury will be needed for a case next Wednesday.

Although the court calendar has not been completed for the May term, there remains something like 110 civil cases which are at issue. Some of these cases of course will not be put on the calendar, but on Monday when the docket is called, a reason must be assigned for not placing a case on the calendar.

During the February term, while business seemed to lag, nevertheless more civil cases were disposed of during this term than for any other term in recent years. There was an even one hundred civil cases disposed of, and thirty criminal cases taken care of.

Some of these cases, and in fact most of them, were never up for a trial, but a compromise was agreed upon or the case settled outside of court, resulting in this number of cases were taken off of the docket.

Two criminal cases attract attention during the May term. The first is the conspiracy case of the state against Gregg Alyea, which will be tried on May 5, and on May 10, the case of the state against Cecil Collins, former clerk of the Shelby circuit court, who faces a charge of embezzlement. This case was sent here on a change of venue from Shelby county.

The grand jurors as drawn for the May term are as follows: Isaac Stevens and Oliver M. Caldwell of Jackson township; John Arnold, Union township; John W. Johnson, Ripley; Charles McBride and Bert Cohee of Center township.

The petit jurors are as follows: William B. Joyce, R. G. Budd, Guy Gordon, Arva W. Bennett, Walter Conway and William Harton all of Rushville township; Hubert Jones of Jackson; Edgar S. Wilson, Union; L. R. Bishop, Union; Gabe Hildreth, Richmond; Wm. A. Mull, Walker; Lafe Peck, Orange.

AIRPLANES PATROL THE MEXICAN BORDER

Twenty-Five United States Army Ships Take the Air Today to Watch Troop Movements.

IN WIRELESS COMMUNICATION

(By United Press.)

San Antonio, Texas, April 30.—Twenty-five United States army airplanes are patrolling the international border today watching the movements of Mexican federal and revolutionary troops. The patrols are between El Paso, Texas and Douglas, Arizona.

The airplanes are in constant communication with the flying headquarters by wireless. The machines took the air early today.

No announcement has been made as to how long the airplanes will continue to patrol the border. Each machine was equipped with a pilot and an observer.

A large dirigible balloon has been ordered from Virginia for border service. It will be stationed at El Paso, Texas.

SPORTSMEN OF THE COUNTY ORGANIZED

Rush County Fish, Game and Bird Protective Association is Formed Thursday Night

OFFICERS, COMMITTEES NAMED

Resolution is Adopted Asking Department of Conservation to Patrol Streams of County

The Rush County Fish, Game and Bird Protective Association was re-organized last evening at the county court house with an enthusiastic representation of fishermen and hunters present. After an address by State Organizer A. E. Bodine of the state department of conservation, Indianapolis, setting forth the reasons for co-operation with the state in making local conditions better, an election of officers was held. The following officials will serve for the next year: George Coons, president; Will Bennett, vice-president; Chas. H. Brown, secretary; Johnson Jones, treasurer.

A board of directors was elected, composed of the following: Bert Lyons of Milroy; Elmer Hutchinson of Arlington; Jake Parrish, Mike McCoy and Clarence Owens. These directors, in conjunction with the officers above, will serve as the executive committee.

President Coons thereupon selected a membership committee of three. Harry Richey of Milroy, Jake Parrish and Elmer Drake will serve on the membership committee. A committee on by-laws, Dr. Frank Green, William Bowen and Claud Cambren was appointed. A legislative committee will be selected at a later date.

State Organizer Bodine said that there was an effort to establish an organization in every county in Indiana. This drive was not a commercial proposition in any way, he said, but an effort to make fishing and hunting conditions better, to raise more fish and game, and thereby raise more food. The purposes for which this club stood were to meet the needs of conservation of our natural resources and a most patriotic cause, he declared.

"The state department is willing to go more than half way," he explained, "in making the club a success. Organizations are necessary in all fields of endeavor and much may be accomplished by concerted effort to protect fish, game and birds."

A game warden service exists that is at the disposal of the sportsmen in this section. This state police patrol over streams and lakes has been reorganized by the department of conservation. More convictions have been made during the last year.

MRS. HARDING WILL NOT BE IN RUSHVILLE

Informal Reception Will be Held in Corridors of Court House For Senator Anyway.

WILL SPEAK AT 1:30 O'CLOCK

Although Mrs. Warren G. Harding will not accompany her husband, Senator Harding of Marion Ohio, when he comes here tomorrow to speak in the interest of his candidacy, plans are going forward for the informal reception at one o'clock in the corridors on the third floor of the court house. Senator Harding will arrive here tomorrow morning at 11:30 o'clock over the C. I. & W. railroad from Indianapolis and will speak in the court room at 1:30 o'clock.

Immediately upon arriving here, Senator Harding and his party will be escorted to the home of Mr. and Mrs. John A. Tittsworth, where they will be entertained at the noon meal. The word was received here this morning that Mrs. Harding could not be in Rushville tomorrow.

The Harding reception will in part be devoted to the celebration of American Day, which will be observed throughout Indiana tomorrow.

JAP SOLDIERS MASSACRED

Old Regime Russians Also Killed by Bolsheviks at Nikoloesk

(By United Press.)

Tokio, April 30.—Bolshevik forces aided by 1,000 Koreans and 500 Chinese, massacred 270 Japanese soldiers and old regime Russians in an attack on the Japanese consulate in Nikoloesk, according to details made public by the war office today.

After two days' fighting, the staff of the consulate set fire to the building and threw themselves in the flames. One hundred Japanese who were taken prisoners have been subjected to cruelty, according to the war office.

ABSENT VOTERS MAY VOTE ON SATURDAY

Men Who Will Not be Here For Primary Tuesday Will be Permitted to Cast Ballot

PROCEDURE IS EXPLAINED

County Clerk Loren Martin announced today that Rush county voters who would be absent from the county on Tuesday, could vote Saturday night in the county clerk's office in the court house, as his office will be held open for that purpose from seven until nine o'clock.

The object in doing this is to take care of voters who will be out of the city on Tuesday and is aimed directly for the factory employees who live in Rushville but work elsewhere, and who probably would not be in Rushville on Tuesday. Traveling men also may take advantage of voting Saturday night.

These voters should first file an application for an absent voter's ballot, and will then be given the ballot which will be sealed and delivered on Tuesday to the proper precinct by the county clerk. About 15 applications for ballots have been made through the mails by absent voters, and the Saturday night votes will be handled in the same manner as the ones that will be received by mail.

MOVE TO NAME HAYS TEMPORARY CHAIRMAN

Friends of National Chairman Believe This Would be Opportunity For Harmony

HIS APPROVAL NOT SOUGHT

(By United Press.)

Chicago, April 30.—With a view to harmony, friends of Will H. Hays chairman of the Republican national committee, were preparing today to campaign to have him selected temporary chairman of the national convention here in June. It was learned.

Back of the movement, according to the reports, were Victor Rosewater, of Nebraska, and Fred Upham, treasurer of the national committee.

By refraining from discussing policy in regard to the league of nations and from playing favorites among the presidential candidates, it was said that Hays won the confidence of leaders and that a deadlock over the election of a temporary chairman would probably mean his election.

Republican headquarters here admitted today that Mr. Hays' name had been mentioned for the chairmanship.

"But we heard it only for the first time a few days ago," said Victor Heintz, Republican regional director in the middle west.

The movement to make Mr. Hays chairman of the convention, it was said, is purely voluntary and its approval by Mr. Hays has not been sought.

TWO CITIES SHOW INCREASE

Washington, April 30.—The census bureau today announced the following population figures: East Chicago, 35,967, an increase of 16,869; Crawfordsville, 10,139, an increase of 7,068.

APPROVAL WON BY TWO CLASS PLAYS

"The Revenge of Shari-Hot-Su" and "The Neighbors" Presented to Capacity Crowd

IS TO BE REPEATED TONIGHT

Players Show Excellent Training and Entertain Audience—Stage Settings a Feature

The Senior class of the Rushville high school delightfully entertained a capacity house last night when they produced their annual class play, which consisted of two plays, one "The Neighbors" and the other, "The Revenge of Shari-Hot-Su" a Japanese comedy. Both of the plays will be presented again tonight, and only a few seats remain unsold for this performance.

It would be a difficult task to distinguish which one of the plays the audience most appreciated, as each was loudly applauded as the students evoked laughter through the house.

"The Neighbors" was the first play presented, and was given in one act, being played by eight seniors. The scene was an interior in Grandma's house, with Marguerite Kelly taking the part of Grandma, Miss Abel, played by Joan Weakley, was a busy body doing a day's ironing and at the same time taking part in the village gossip.

Miss Abel had a daughter, Inez (Lillian Mullins) who was wildly in love with the grocery boy, Peter (Weldon Kennedy). Ezra Williams (Howard Kendall) a town character, was much out of humor on account of a load of card wood someone had dumped in his front yard, and in the middle of summer.

Miss Moran (Josephine Scholl) another type of the neighborhood, couldn't do much on account of a lame back, but she was perfectly willing to lend her good assistance. She ranked first place when it came to gossip.

Miss Treat (Marjorie Clark) another good neighbor, helped plan a home coming for a nephew of Miss Ellsworth (Phyllis Gartin). It was all over this homecoming that the play centered, and it was Miss Treat's suggestion that they have ice cream.

The play presented many funny incidents, and was true in many respects to life in a small community where everyone takes unusual interest in other people's business.

After making great preparations for entertaining the small child of Miss Ellsworth's sister, the child didn't come. Throughout the entire play funny incidents happened which almost continually kept the audience in an uproar. Each person played

CITY SCHOOLS OBSERVE 'AMERICAN' DAY TODAY

Judge Sparks Addresses High School Pointing Out Importance That Education Has

LEARNING IS THE FOUNDATION

Judge Will M. Sparks addressed the high school this afternoon on the patriotic subject appropriate to "American Day" which was celebrated in the city schools today on account of there being no school tomorrow, which is the day set aside by Governor Goodrich.

Judge Sparks emphasized in his address the importance of education toward the making of better citizenship, and said that three things, Knowledge, Character and Service were the fundamentals upon which American citizenship should be based in order to make America the leader of the world. He illustrated his points, and emphasized the importance of higher education, and told about some who had worked their way through the higher schools of the country and become successful American citizens.

The day was also brought to the attention of the grade schools by the different teachers although no definite program was carried out.

TO INVESTIGATE CHARGE.

Washington, April 30.—Thorough investigation of charges that print paper jobbers are profiteering was decided on by the manufacturers sub-committee today. Senator Reed chairman, declared that nearly a score of dealers, mostly from New York, will be called.

Widower Congratulated

"Since my wife's death, five years ago, I have suffered greatly from stomach and liver trouble and gas attacks. I lost over 50 lbs., and at times was as yellow as saffron. My doctors could not help me. Six doses of Mayr's Wonderful Remedy have entirely cured me. I have regained my weight and every one is congratulating me how well I look." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At Druggists Everywhere. (Adv.)

She Believes
There Is Magic
In Vola-Tonic

Felt Weak All Over But
Is Now Feeling Better
Than in Years

Declaring there must be magic in Vola-Tonic, Mrs. Henry Lemur, 1210 Eastern avenue, Cincinnati, told in detail how the medicine had helped her.

"My system all over was weakened and run down," Mrs. Lemur said. "For the last seven or eight months I have been so weak and nervous that I couldn't do my house-work right. My nerves were so out of order that if anybody spoke a sharp word I'd go all to pieces. The noise of a wagon passing in the street or the children playing got on my nerves."

"At night I couldn't sleep or rest out would just toss and roll about the bed and would get up the next morning feeling worse than I did the night before."

"I took Vola-Tonic and from the way it built me up I think there must be magic in it. My nerves are in much better condition now. I sleep soundly every night and get proper rest."

"In fact, I'm feeling better since taking Vola-Tonic than for years and, naturally, I'm glad to recommend the medicine that did so much for me."

Vola-Tonic, "Builder of Strength," is being specially introduced in Rushville at Frank E. Walden's. (Adv.)

CLAIMS JOHNSON SHOULD HAVE TOGA

Continued from Page One

career began, Mr. Arkin said, when because of the shooting of Francis J. Heney, he was suddenly called on to prosecute Abe Ruef and Mayor Schultze of San Francisco for graft and succeeded in sending them to prison for terms of fifteen years each. As governor of California, the speaker asserted, Johnson put through much advanced legislation, such as the initiative, referendum and recall and a workman's compensation law. He also caused to be passed the first 8-hour law for women in the United States, the speaker said.

Mr. Arkin referred to the liberal use of money in the Wood campaign and commented that when a man gets money he has to pay it back in kind or in favors. He also asserted that in some states Gen. Wood was posing as a friend of the wets and in others as a friend of the dries, as policy dictated.

"Senator Johnson's campaign is being run on a shoestring," the speaker declared, pointing to the fact that the only headquarters he had were two rooms in the Pennsylvania hotel in Washington and one room in the Claypool hotel in Indianapolis. He said Wood had expensive suites of rooms in New York and Washington and elsewhere.

Mr. Arkin defended Senator Johnson of the charge of betraying Hughes in California in 1916. He said Johnson's apparent "relief" of Hughes was due to Johnson's enemies not delivering a note which Johnson sent to Hughes. He also showed by the vote that many states were like California, President Wilson carrying the state, while the republican candidates for governor

and senator were elected by large pluralities.

The speaker dwelt on the league of nations at length and criticized the present administration; because of his record as a lawyer and governor of California and because of his keen insight which made it possible for him to see the weakness of the league of nations.

"Senator Johnson deserves your consideration," he concluded, "because a man of his stamp will be needed to clean up the mess left by the present administration of because of his record as a lawyer and governor of California and because of his keen insight which made it possible for him to see the weakness of the league of nations."

Relief From Congress

If anyone thinks the "peepal" do not get a square deal from congress he ought to examine the Congressional Record closely. And if that person who is not convinced on that subject will examine the proportion of private to public bills he will get further enlightenment. An analysis made of the bills introduced in the House some time ago during a period of seven days showed 6,090 private bills to 738 that could by any stretch of the imagination be convinced as having public importance. The House spent April first on the private calendar and in the course of four hours and a half succeeded in passing bills for the relief of eight individuals, three banks that had been luckless enough to lose certificates of indebtedness or war savings securities, three owners of ships that had met with accidents, and the proprietor of the derrick "Concord". In addition, it voted to allow the owner of abutting land to but a strip of land 10 feet wide and 128 feet 4 3/4 inches long adjoining the federal building site at Waterville, Maine and passed a pension bill putting more than 300 Civil War veterans, their sisters and their cousins, and their aunts on the roll. Perhaps most important of all, after careful discussing, it passed a bill for the relief of Catherine Rea, administratrix of the estate of John Rea. Back in the good old days before the Eighteenth Amendment, Mr. Rea had three barrels of brandy. Then came the San Francisco earthquake. The Red Cross seized Mr. Rea's brandy for the relief of the sufferers, but did not pay for it, and now, a decade later, the Congress of the United States, in its sovereign majesty, pays to the administratrix of Mr. Rea's estate \$173.50 covering, not the value of the brandy, but the stamp tax on the lost spirits. Truly, justice has travelled with a slow foot, and it seems as though she has halted a little even in her final action. Yet the people have spoken through their elected representatives. On the whole, however, that was a poor day for private and local legislation. We shall see such matters handled more expeditiously as the end of the session approaches.

A Moses is Needed

Strong minds, indomitable courage and endless patience will be required to restore this country to the normal conditions existing before the outbreak of the European war. Today practically all lines of business are conducted on an abnormal scale. Wages, living, everything is out of plumb and the prevailing tendency is to force things upward. This of course can not last indefinitely with safety to the republic, but it is difficult to conceive how we are to lead the American people back to earth again without bringing a disastrous crash about our heads. A Moses would be thrice welcome today.

And still spring gets in an occasional peep between blizzards.

Many a man in this country longs for the day when all wars will be a thing of the past. Then he can slip home in the early hours of the morning without removing his shoes at the door.

Be of good cheer, brother. That, at least, has not been boosted in price.

Yes, there is a fixed valuation to a smile. It is all you can get out of it.

We are authorized to announce the name of Frank Megee of Rushville as a candidate for representative from Rush county in the Indiana state legislature, subject to the Democratic primary election on May 4, 1920.

Be Relished by Your Friends
When You Repeat Them.

During the war sports had an uphill battle keeping alive. Now and then big league ball teams visited training camps and played for the amusement of the soldiers. One day the New York Giants, with Jim Thorpe, the noted Indian, in the outfield, played Camp Dix. Without exception the athlete with a national reputation was "razed" by the doughboys for not being in the army. Jim struck out three times and was the subject of much abuse. The game happened to be played at the time white bread was barred in civilian life. After his last strike-out Jim went up along the first base line. "Why ain't you in the army, Jim?" they kept calling to him. Finally turning to the bleachers the Indian yelled back:

"Fellows, don't be so hard on me, why I haven't had any white bread for months."

The French government has put an embargo on the importation of luxuries. Will this exclude the American war-made millionaires?

"America cannot afford to play with fire," says a paper devoted to internationalism. That is why the United States cannot afford to play with internationalism.

Sap and Salt

By BERT MOSES

What you hear at the keyhole is often God's truth.

Why not stop making so much money and begin making more goods?

Even a Prohibitionist would take a drink these days if he could get it.

A woman's clothes are not half so interesting to a man as the woman herself.

Hez Heck says: "People prefer front seats in a theater and back seats in a church."

There is a chronic disposition among us all to do no more thinking than is just necessary to carry us by.

ROBERT W. HOLT FINED

Robert W. Holt, a local groceryman, paid a fine in police court late yesterday afternoon amounting to a dollar and costs, for violating that section of the motor vehicle law, pertaining to tail lights. The affidavit charged him with failing to have a lighted tail light on his machine on the night of April 24.

The overalls craze seems about as likely to be successful in reducing the high cost of living as was the "chuck steak" campaign.

Fesler's Right

He believes that the local officials and the tax payers should have the right to determine their community's needs, and to provide for same without the unwarranted interference or domination of the State Tax Board.

FESLER

STABLE REPUBLICAN

PRIMARY MAY 4, 1920

"The Folks are For Fesler"

Essay on Geese.

The following composition on geese was written, according to Capper's Weekly, by a schoolboy in St. Louis: "Geese is a heavy-set bird with a head on one side and a tail on the other. His feet is set so far back on his running gear that they nearly miss his body. Some geese is ganders and has a curl in his tail. Ganders don't lay or set. They just eat, loaf and go swimming. If I had to be a geese, I would rather be a gander. Geese do not give milk, but I've eggs, but for me, give me liberty or give me death."

LOREN MARTIN

Candidate For

CLERK

Of Rush Circuit Court

Having been appointed by the commissioners to fill the unexpired term of George B. Moore, Jr., and having now been in the office for a period of nine months, I feel that my experience has qualified me to fill the office satisfactorily and I respectfully solicit your support at the primary next Tuesday. As for my military record—I enlisted in May, 1917, and was admitted to the first officers training camp at Fort Benjamin Harrison.

Any Favors Shown will be Duly Appreciated.

VOTE FOR PHIL WILK

FOR

AUDITOR

Official Primary Ballot REPUBLICAN PARTY

To vote for a person make a cross (X) after his name in the proper column.

- | | |
|------------------------------|--------------|
| For Auditor | Vote for One |
| (30) JOHN F. MAPES | |
| (31) WILLIAM R. MARTIN | |
| (32) PHIL WILK | X |

Put Your Cross (x) Beside No. 32 On Ballot

Phil Wilk is highly qualified to be your Auditor as his early training in book-keeping as a Railroad Agent gave him unlimited experience. Then as a contractor he has dealt with County Auditors over the state, and this experience will be of added service to you when you have dealings with the County Auditor. His experience will be useful also in helping the County Commissioners in their work. In fact, Mr. Wilk is the logical man for the place, especially in these times when we are looking for men with experience and who know what service means when dealing with the public.

VOTE FOR PHIL WILK FOR AUDITOR

+Church of God—Sunday school at 10 a. m.; preaching service at 11 a. m.; Young People's meeting at 6:30 and preaching services at 7:30 subject "The Judgment."

+Homer Christian Union church—Bible school at 9:30 a. m. Preaching services at 10:30 a. m. and 7:00 p. m. Every one is invited to attend these services. Special meetings will begin May 10. Mrs. Booher will assist in the music and song service.

+Pleasant Ridge M. E. church—Bible school at 9:30 a. m.; preaching by the pastor, 10:30 a. m. and 7:30 p. m. Miss Marie Krammes was selected to be the minute girl at the evening service. Epworth league on Tuesday evening.

+Hannegan church—Bible school at 10 a. m. Contest with Clarksburg begins at this time. There were \$9 present last Sunday and \$3500 was subscribed for remodeling the building. A community pitch-in supper was enjoyed by a large number on Saturday evening.

+Services at St. Mary's Catholic church Sunday are as follows: Communion at 6 o'clock; Low Mass at 8 o'clock; High Mass, 10 o'clock; Instructions at 2:30; Vespers and Benediction at 3 o'clock. Week-day Masses at eight o'clock, with the Rev. Father Francis Schaub in charge.

+United Brethren church—Sabbath school at 9:30 a. m. Ray Edwards, superintendent. Preaching services at 10:30 a. m. and 7 p. m. Prayer and praise service Wednesday evening at 7:30 o'clock. Every one invited to attend these services which are held at the corner of Seventh and Arthur streets.

+The Arlington Christian church—Bible school at 9:30 a. m.; morning service with communion, 11 a. m. subject "The Gift of The Holy Spirit." Board meeting at two o'clock; evening service at 7:30 p. m. Stereopticon lecture will be given on missions at this meeting. Special music at both services. The Rev. G. H. Lawton pastor.

+St Paul's M. E. church—Sunday school, 9:30 a. m.; morning worship, 10:30 a. m. sermon by the pastor, topic, "Christ's Counter-

part." Junior league, 2:30 p. m. Epworth league, 6:30 p. m.; evening preaching service at 7:30 p. m., sermon subject, "The Axe That Did Swim." Prayer meeting Thursday evening at 7:30 p. m. Special music at both morning and evening services Sunday.

+At the First United Presbyterian church Sunday, Bible school will be held at 9:30 a. m. and the pastor will preach on the subject, "Counting The Cost," at 10:45. Young People's meeting will be held at 6:30 p. m., with Miss Mildred Mary as leader, and preaching services at 7:30 when the subject will be, "Choosing The Best." Prayer meeting will be held Thursday evening at 7:30.

+First Baptist church, Sunday services—Bible school at 9:30. Public worship at 10:45 a. m. and 7:30 p. m. Subject for the morning sermon, "Price of Freedom." Theme for the evening hour, "The Witnessing of the Nail Prints." The results of the New World Movement will be announced at both services. Every member of the church so far as possible is urged to be in their places Sunday.

+The United service of the Main Street Christian Church begins at 10 o'clock with "Get Together Day" when the whole school will be assembled in the auditorium and special program. At 11 the pastor will speak on "The Glories of Zion" and at 7:30 on "Matchmaking and Marriage." To this evening service the young people are especially invited. The married can come and the married ought to come, the pastor says. Mid-week service Thursday evening 7:30 with Mrs. Albert Allen as leader. Orchestra and chorus choir at the evening service.

+First Presbyterian church—Sabbath services are as follows: 9:30, Bible school; 10:30, morning worship. At this service the pastor will commemorate twenty-five years in the active ministry by preaching from the same text and practically the same sermon with which he began his ministry at 7:30 evening service, sermon, "Some Things I Believe About Christ and Why." This evening series on "A Man's Faith" is awakening much interest. The public will find all these services profitable.

+Salvation Army—Free entertainment tonight given under the auspices of the Life Saving Guards. The Rev. G. F. Sheldon will speak at this meeting. Open Air meeting tomorrow night at 7:30 o'clock. Holiness meeting Sunday morning at 10 o'clock; 2 p. m., Company meeting; 3:15 p. m., praise meeting; 7 p. m. parade; 7:30, big salvation meeting. The subject for the evening service will be "On the Four Corners of the Diamond" or "The Empire's Last You're Out." Meetings next week on Tuesday, Thursday and Friday evenings.

The U. S. Department of Agriculture reports the following yields in:

Year	CORN	Bushels
1919	2,917,450,000	
1918	2,582,814,000	
	OATS	
1919	1,248,310,000	
1918	1,538,359,000	
	WHEAT	
1919	940,987,000	
1918	917,100,000	
	RYE	
1919	88,478,000	
1918	91,041,000	

Winter wheat production last year amounted to 731,636,000 bushels. The department of agriculture estimates only 486,617,000 for this year.

The condition of Rye is only 86.8 per cent of normal.

Corn, Oats, Wheat and Rye furnish a great preponderance of our feeds. Do you think an abundance of feed is in sight? Can you figure that feeds will be cheap this year? Think these facts over and then give us your good order for Fat Back Hog Feed and other feeds.

their part in excellent style, and displayed remarkable training.
"The Revenge of Shari-Hot-Su", was most prettily staged, the first

act being a room in the home of Moig-in-fu's uncle, and the last scene was a garden at the same place.
Leonard Moore appeared in the role of Shari-Hot-Su, a learned Japanese, and his part was most fittingly carried out both in the costume and the broken language of a native of Japan.

Kioto, a young Japanese was played by James Caldwell, a neat appearing youth of the Orient, who was in love with Moig-in-fu (Lavern Bishop), and finally won her after a hard tussle.
Mrs. Beaconstreet of Boston, played by Janet Dean very cleverly, was a master in the usage of big words, but permitted Shari-Hot-Su to make love to her, as she thought it was a custom of the Orient.
Mrs. Beaconstreet had a daughter Nina (Jean Sparks,) who took her part in the play with a striking resemblance of a true born American.

Are You Awaiting
The Great Crisis?

If So, Do Not Allow the Time to Pass
With Nature Unaided.

Women who give nature a helping hand during the period of expectancy find that when the time arrives for baby's coming it is approached and passed with infinitely less pain and danger.
Thousands of women for over half a century have learned that in the time-honored preparation, Mother's Friend, they have a grateful, relaxing, penetrating remedy, the use of which makes it possible for them to go through childbirth without the usual nausea, nervousness, bearing-down and stretching pains, and that through its use the hours at the crisis are fewer and of much less pain and danger.
Mother's Friend penetrates the muscles, rendering them pliant and easily governed by the demands of nature. They relax gently and bring happy days and calm, restful nights. As the result the crisis is passed with greater ease and in less time, the breasts are kept in good condition and the skin is made and kept soft and free from blemishes.
Write to the Bradford Regulator Company, Dept. P, Lamar Building, Atlanta, Georgia, for their Motherhood Book, and obtain a bottle of Mother's Friend from your druggist today and thoroughly fortify yourself for the coming event.

FRED HAMMER, Mgr.

Honoring the last day of school and the teacher, Miss Helen Jinks, the patrons and members of the Applegate school, southeast of the city enjoyed a pitch-in dinner at the school today at noon. In the afternoon a program was given by the children and a social time enjoyed.

The Young Ladies Missionary Circle of the Main Street Christian church will meet with Miss Alice Chadwick next Monday evening at her home in North Willow street. A large attendance is urged as this is an important meeting and officers are to be elected. The program is as follows: Song by the Circle; prayer; Bible study, Miss Grace Billings; paper, "Our New Field in Mexico," Mrs. Emmett Fegley; special music; paper, "Our Mexican Orphanage," Mrs. Perry King.

Mrs. Omer Greenwood entertained the Needlework club Wednesday afternoon at her home north of Raleigh. Fifteen members and the following guests, Mrs. Jack Hall, Mrs. Gerald Katy, Mrs. Jane Nixon, Mrs. Olive Manlove, the Misses Dortha

and her acting won the applause of the audience.

Earl Morton, playing the part of Harold Armstrong, a young American, found his affections centered on Nina, who he succeeded in winning. Several comical situations were involved between Nina and Harold.

Helen Matlock, had a difficult role as the Japanese mother of Moig-in-fu and she most graciously played her part to the satisfaction of the audience.

The garden scene was applauded for its beauty as the curtain rose on the last act. The scenery which was typical of the orient was designed and made by Grant Gregg and Margaret Morehead, assisted by the manual training class.

The Japanese costumes used in this play were all made by Miss Henrietta Coleman, and both acts were very fittingly presented to convey the oriental ideas.

The high school orchestra rendered several selections that were well given and each number was highly appreciated by the audience.

The seats for tonight were almost sold out, but several good seats will be available and it is predicted that an overcrowded house will be on hand, because those who witnessed the plays last night were speaking most highly of it, which alone is sufficient advertising.

and Florence Cole and Miss John were present. The afternoon was enjoyed in a social way with music and contests. The hostess served light refreshments of ice cream, cake coffee and mints at the close of the afternoon.

What promises to be one of the most enjoyable dances of the season will be given by the Phi Delta Kappa fraternity this evening at the Modern Appliance building in West Third street. The Fort Wayne society orchestra has been employed to furnish the music for the dancers. This orchestra comes well, recommended and it alone is expected to be a big drawing feature. The floor of the building has been worked over and will be in excellent shape for the dance this evening.

For Bad Breath

Coated Tongue, Bloating, Sour Stomach, Sick Headache, Bloating, Gas, Constipation, or other result of indigestion, no remedy is more highly recommended than

FOLEY CATHARTIC TABLETS

They cause no griping or nausea. Cleanse the bowels, sweeten the stomach and benefit the liver. Never disappoint.

Mrs. Elizabeth Shuman, 137 So. Main St., St. Norwalk, Conn.: "I can honestly say Foley Cathartic Tablets are wonderful."

F. B. JOHNSON

SPLASH!

It's annoying of course—it's unfortunate but how much worse it might have been if it weren't for the cleaning service I can get at the Sanitary Cleaners. It's the difference between the trifling cost of cleaning and the entire loss of this expensive gown.

'Best In The World'
Says Fort Wayne Man

Fred Adams Was All Run Down But Is Brimful of Life and Energy Now.

"This is certainly the best medicine in the world," said Fred Adams, as he purchased his fourth bottle of Tanlac the other day, "and I want my statement published in all the papers so everybody may know what it has done for me."

Mr. Adams lives on R. F. D. 9, Fort Wayne. He is employed by the General Electric Company as machinist and is highly respected by all who know him.

"Yes, sir," added Mr. Adams, "I count myself lucky that I got Tanlac. Why, I have already gained ten pounds in weight and have just finished my third bottle. Not only that but I have gotten rid of a case of stomach trouble that kept me miserable for two years as well as all the after effects of a case of 'flu' that came near putting me out of business."

"When the 'flu' epidemic struck us about a year ago I was in such an awful run-down condition on account of indigestion that I was an easy victim. I had a spell that used me pretty rough and when I did get up my stomach, which had bothered me for two years, troubled me worse than ever. Besides that, my head ached continually and I was so nervous I thought I would go distracted. I tried to work, but couldn't make it to save my life. I was bilious most of the time, my kidneys were out of order and my color was bad. I also had the backache and felt tired and worn out all the time."

Since I began taking Tanlac I have gained ten pounds and feel like an entirely different man. I can eat just anything set before me and I never feel a pain or a sign of indigestion any more. Neither my kidneys nor liver bother me and my headache and backache are things of the past. I have also gotten rid of that tired feeling and am just brimful of new life and energy. Tanlac certainly does the work—at least it has in my case and now when I hear anyone complain of feeling run-down and bad I always tell them about Tanlac."

Tanlac is sold in Rushville by F. B. Johnson Co., in Milroy by Dallas Cooper, in Manilla by Geo. J. Inlow, in Winton by Mrs. L. T. Davis, and in Carthage by Otto C. McCarty.—(Adv.)

Rheumatism Back on the Job
With Its Old-time Fury

No Let-Up In Its Torture.
If you are afflicted with Rheumatism, why waste time with liniments, lotions and other local applications that never did cure Rheumatism, and never will?
Do not try to rub the pain away, for you will never succeed. Try the sensible plan of finding the cause of the pain. Remove the cause, and there can be no pain. You will never be rid of Rheumatism until you cleanse your blood of the germs that cause the disease. S. S. S. has no equal as a blood purifier, scores of sufferers say that it has cleansed their blood of Rheumatism, and removed all trace of the disease from their system.
Get a bottle of S. S. S. at your drug store and get on the right treatment to-day. If you want special medical advice, address Medical Director, 102 Swift Laboratory, Atlanta, Ga.

A Matter of Service

AUTOMOBILE SERVICE does not mean something for nothing but the rendering of quick and efficient relief at a reasonable cost. It has ever been our policy to save you money by employing the best mechanics, using the best material and giving first consideration to quality. Your car interests are thus carefully safeguarded if we do your work.

WORKS HARD TO
AVERT FLU EPIDEMIC

Government and City Health Officials Warn People to Keep Clean.

Stay Away from People with Coughs and Colds.

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water; sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite influenza, declares a prominent Kentucky druggist.

The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply.

He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and soothe and heal the inflamed membrane in a few days.

Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Pour three-quarters of an ounce of Mentholized Arcine into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat clean and healthy.

Nearly all druggists dispense Mentholized Arcine in vials containing exactly three-quarters of an ounce, which is all you need to make a pint of this healthful medicine.

FLAYS SOLDIERS FOR ASKING BONUS

Assistant Secretary Leffingwell of Treasury Addresses Academy of Political Science

SAYS THEY SHOULD WORK

Declares Congress Should Refuse Bonuses, Put Railroads on Paying Basis and Sell Ships

(By United Press.)

New York, April 30.—Congress must refuse bonuses to service men, put railroad on a paying basis and sell all surplus war materials, including ships, if the country is to be put in a sound financial basis. R. Leffingwell, assistant secretary of the treasury, told the meeting of the Academy of Political Science here today.

Leffingwell flayed the service men for asking a bonus, declaring that they should "go to work and support themselves as any self-respecting men would do."

The shipping board, he said, has not yet made any returns to the treasury department despite the fact it has been engaged in commercial and shipping "at a time when it is exceptionally profitable."

The board expenditures are exceeding its revenues, he said.

The railways must not be subject to such regulations and must be allowed to charge prices high enough to insure them a commensurate return on their investment.

Leffingwell gave these three principal causes for inflation and high prices since the armistice: heavy expenditures by the government and government interference with business; reaction and waste among the people; world extravagance and internationalization of prices.

SPORTSMEN OF THE COUNTY ORGANIZE

Continued from Page One

than ever before in the history of the state fish and game department. Greater results are yet to come, for the policy of protection is being urged by law-abiding citizens everywhere. Game wardens will be busy up and down Flat Rock and violators of the fish and game laws will not seem and dynamite at their pleasure.

A resolution was passed by the club, asking the state department to patrol the county waters and to make arrests of all who illegally drain the streams of the game fish.

An application will be made for fish to stock the Flat Rock section. This will be sent to the hatchery department, from which the "fingerlings" are sent out later in the summer.

President Coons stated that he was anxious to see a thrifty and active organization. He has talked the matter over among those interested for a year or more. The meeting last evening could accomplish little more than set the organization on its feet. A meeting will be held in two weeks to perfect the organization and complete selection of committees.

By organized effort, Mr. Bodine explained, the fish and game situa-

A CLEAR COMPLEXION

Ruddy Cheeks—Sparkling Eyes—Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system.

If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.

Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit. 10c and 25c.

The Right Kind of Iron For The Blood

The most powerful and beneficial tonic in all medicine for the blood and nerves is iron. The greatest authorities agree on this. But it is a mistake to take any form of iron and expect to get satisfactory results. Most of the common forms of iron are what is known in science as "inert," when taken into the human system. By this it is meant that they exert no action whatever. Perhaps this is why you have been disappointed when you have taken certain pills or tablets or tonics said to contain iron.

The new way to restore iron to the blood—the surest and most dependable of all methods—is through the use of Acid Iron Mineral. This is a natural form of soluble iron—it is not prepared artificially by chemists like most medicinal iron, but is found in Nature itself, combined with other highly beneficial remedial agents. The story of the discovery of this new form of iron reads almost like a fairy tale and medical science has proved in thousands of cases its remarkable blood-making powers. Acid Iron Mineral may be procured in liquid form at any drug store. It contains no alcohol or injurious drugs and will not blacken the teeth. It has been especially noted that pale, puny children, weak, run-down persons and those enfeebled by age show improvement and exhibit increased strength almost immediately after starting treatment.

MANY PEOPLE EXPECT TO ATTEND CENTENNIAL

Indianapolis to Celebrate 100th Birthday June 6-9—Gigantic Pageant June 7

INVITE EARLY SETTLERS

Indianapolis, Ind., April 30.—Thousands of persons from all parts of Indiana are expected to come to Indianapolis when the city celebrates its centennial June 6 to 9.

Plans are under way for a gigantic pageant to be staged on Monday night, June 7, depicting, by floats, the history of the city from its beginning. According to those in charge, the street pageant-parade will be one of the most elaborate ever attempted in Indianapolis or Indiana.

Invitations will soon be sent to all former residents of Indianapolis who were early settlers, to return to the city for the centennial celebration as the special guests of the city.

The celebration includes a pageant to be staged at the State Fair grounds on Tuesday night, June 8, and many of the oldest residents of the city will participate.

PLAY ARLINGTON SUNDAY

Tail Lights Clash With Red Sox at Arlington Sunday

The Rushville Tail Lights, presenting a strong line-up will back up Sunday with the newly organized Red Sox team of Arlington at the club, and are confident that their team around here can stop the Tail Lights. Last Sunday St. Paul was defeated, and this Sunday the management will use practically the same line-up, and expects to take the Arlington team by a big score. The players are requested to meet Sunday morning on the West Third Street grounds for practice, and catch the 1:47 traction car for Arlington in the afternoon.

The line-up will be as follows: A. Joyce, ss, Pearsy rf, Bennett lb, Po. H. E. Joyce cf, Conway 3b, Smith 2b, Byrne c, Hobart or McCarty p.

Amusements

Charles West at Mystic

Charles West, who made fame on the legitimate stage playing the leading role in such successes as "The Road to Yesterday," "Brown of Harvard" and "Going Some," at the Mystic theatre today in "The Phantom Melody," in which he supports Monroe St. Aubrey. As Giorgio in Pisan, the villain of the story, West has a particularly dramatic role.

"The Woman Michael Married," a screen dramatization of the story by Dr. Verne Rabel, which appeared in Ainslie's of December, 1918, stars Bessie Barriscale in a society drama. It will be at the Mystic tomorrow.

Miss Barriscale runs the gamut of fine feathers, and is seen in some gorgeous creations from pulchre lingerie to the latest word in skin-tight one-piece bathing suits.

VERDICT IN TABOR CASE

Paw Paw, Mich., April 30.—A sealed verdict was returned at two o'clock this morning by the jury in the trial of Mrs. Sarah Tabor, charged with manslaughter in connection with the death of her daughter, Maude Tabor Vico. The jury was out more than fifteen hours. Court had been dismissed by Judge Howard West at midnight, with instructions that the verdict, should one be reached during the night, be brought in at the regular opening hour today.

BILIOUS!

Quick! Get Liver and Bowels Right with "Cascarets"

Furred Tongue, Bad Taste, Indigestion, Sallow Skin, and Miserable Headaches come from a torpid liver and sluggish bowels, which cause the stomach to become filled with undigested food, which sours and ferments, forming acids, gases, and poisons. Cascarets tonight will give your bilious liver and constipated bowels a thorough cleansing and straighten you out by morning. Cascarets never sicken or inconvenience you like nasty Calomel, Salts, Oil, or gripping Pills. They work while you sleep.

SEES HARDING AS LEADER

Sen. Burton Predicts Nomination—Daugherty's Election Claimed.

Columbus, O., April 30.—Prediction that Harding will win the nomination was made today by Senator Burton. "Harding has an excellent chance," said Senator Burton. "His campaign has been managed in such a way as not to offend others and Ohio is the pivotal state."

Judge Otto Pfleger of Cincinnati in a statement today declared that the delegates from New York, Pennsylvania and Massachusetts, though uninstructed, all lean toward Harding. Daugherty's election as one of the Big Four from Ohio was regarded as certain beyond a doubt. Harding's majority is given as almost 20,000 out of a total of less than 225,000.

NAMES COMMISSIONERS

(By United Press.)

Washington, April 30.—President Wilson today nominated Henry Jones Ford of Princeton, New Jersey and James Duncan of Quincy, Massachusetts, members of the interstate commerce commission.

APPROPRIATES 19 MILLION

(By United Press.)

Washington, April 30.—The senate today passed the fortification appropriation bill carrying more than \$19,000,000, an increase of about \$500,000 over the highest figures.

ULTIMATUM TO STRIKERS

Toledo, April 30.—Expulsion from the Brotherhood of Railway Trainmen unless they return to work immediately confronts twenty-four switchmen in the employ of the New York Central railroad who struck yesterday because of alleged delay in a hearing on their wage demands.

For Colds, Catarrh or Influenza

Do you feel weak and unequal to the work ahead of you? Do you still cough a little, or does your nose bother you? Are you pale? Is your blood thin and watery? Better put your body into shape. Build strong!

An old, reliable blood-maker and herbal tonic made from wild roots and herbs, is Dr. Pierce's Golden Medical Discovery. This "nature remedy" comes in tablet or liquid form. It will build up your body and protect you from disease germs which lurk everywhere. One of the active ingredients of this temperance alternative and tonic is wild cherry bark with stillingia, which is so good for the lungs and for coughs; also Oregon grape root, blood root, stone root, Queen's root, all skillfully combined in the Medical Discovery. These roots have a direct action on the stomach, improving digestion and assimilation. These herbal extracts in the "Discovery" aid in blood-making and are best for scrofula. By improving the blood they fortify the body against an attack of grip or colds.

Catarrh should be treated, first, as a blood disease, with this alternative. Then, in addition, the nose should be washed daily with Dr. Sage's Catarrh Remedy. Send for trial pkg. of Medical Discovery Tablets or Catarrh Tablets to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y.

CARD OF THANKS

To the good people of Rushville, who so faithfully assisted my sister Mrs. Lou Walker of 830 West 8th Street, during the illness of my little sister, I am very gratefully indebted, during the sickness and death of dear little sister, who died April 6, 1920. Mrs. Walker told me of the good people being so ready and endeavoring to do that which we all should do in these last hours of respect. I also thank the Doctors who so faithfully endeavored to restore her health and to the undertaker Mr. Wyatt. I know none of you but hope some day to know you when I may more fully express my gratitude and thanks. To one and all I pray God's richest blessings. To the little girls who so beautifully performed as pallbearers, little girls, to me this the death of my little sister, has been the saddest and darkest of all hours of my life. I pray God's richest blessings upon you and while in tender youth, ever keep your thoughts heavenward with this thought. I must respect a crucified Saviour. Again I thank you one and all and say I feel I'm very gratefully indebted to you, and for the nice card offerings. I ask God keep us and bring us to a home where we may know each other without sorrow.

Grieffully Yours,
J. S. HUMBERT.

GREATNESS DUE TO CITIZENSHIP

Frank O. Lowden Asserts That
Wealth and Population Isn't Re-
sponsible for U. S.

ADDRESS AT EVANSVILLE

Only Americanized Citizenship
Makes This Country the Impor-
tant Continent Today

Evansville, Ind., April 30.—"We are learning as we never before learned that the greatness of our country is measured not so much by its wealth or its natural resources, as by the quality of its citizenship," remarked Governor Frank O. Lowden of Illinois, republican candidate for president, in an address delivered in this city last evening. "We have boasted," continued Gov. Lowden, "too much in the past of our growth in population, and have been too careless of the Americanization of our population."

It matters little whether we have a few million more or less people. It matters everything that our people shall be imbued with the American spirit, shall be moved by American ideals of government and be devoted to the American flag. Our gates have been flung wide open to the liberty loving people of the earth who have sought a refuge from tyranny and oppression. Our citizenship has been enlarged and strengthened by this influx of foreign blood. But not all who have come from foreign lands have been transmuted into Americans. It has been partly our fault.

We have been careless of the conditions surrounding them when they arrived. However, we are awakening to the need of the Americanization of all our people. We see that we are safe only if we Americanize our foreign immigrants as rapidly as they come to our shores.

There are some, it is true, who come among us not to share the blessings of our free government but to destroy it. They are coming in increasing numbers. These cannot be Americanized, but they can be and should be returned to the country whence they came. Our flag was not designed by the fathers to shelter those who seek to destroy it.

Lawlessness and violence have no place in a country where the people rule. If there be a wrong to redress, the courts are open. If the courts fail in their duty they can be impeached and removed from their high office. In every government there must be some one or something which is supreme. In a monarchy it is the king; in an empire it is the emperor; in a republic it is the law. And if it be treason in a monarchy to lay violent hands upon the law which is supreme above all and made so by the people themselves.

We have the best country in the world. Its varied resources make it more independent than any other country. We have a form of government under which more people have lived free and happy than under any other in all history. The purpose of the Americanization movement is to make people understand these simple facts and would substitute a partnership with all the world for the indisputable advantages which Americans as such enjoy.

The American believes that in preserving American institutions and in holding America for Americans native and naturalized America can best discharge her obligations to the world. The internationalist would pool America with the other countries of the world for the benefit of humanity at large. He who meets his duties at home becomes thereby no poorer citizen of his community. Americanization means that it is America and not the world which protects her humblest citizen in the exercise of his rights.

It, therefore, exacts from the citizen, allegiance to America and not to the world. It says to all, "If America is not a large enough country for you, and if you want to consider yourself simply a citizen of the world you had better move beyond our borders." We of America shall have enough to do if we take care of our own. Our first duty is to our people and their first allegiance is to the Stars and Stripes.

SITE OF YPRES IS DESIRED

British People Challenged by Ypres
Local Authorities

(By United Press.)
Brussels, (By Mail).—The desire of British people to obtain the site of the ruined city of Ypres as a historic memorial of the heroic struggles of British soldiers during the

great war, has been challenged by the Ypres local authorities.

They have declared their desire to rebuild the town, despite the recommendation of the Belgian Academy of Fine Arts in support of the British contention.

English companies have already purchased much property on the site of the famous battlefield and mean-while most of the former inhabitants

of Ypres, unable to get their ruined homes rebuilt, have emigrated.

The Red Eagle Wrapper Means National Bread

Why Measles May Be Dangerous

This is No. 3 of a series of advertisements, prepared by a competent physician, explaining how certain diseases which attack the air passages—such as Pneumonia, Influenza, Whooping Cough, Measles or even a long continued Cold—often leave these organs in an inflamed, congested state, thus affording a favorable foothold for invading germs. And how Vick's Vapo-Rub may be of value in this condition.

Few of us escape measles—it is one of the commonest of childhood diseases. Every mother knows the symptoms, but the mistake that most mothers make is in failing to realize that the child is not fully recovered after the eruption and fever disappear. The air passages are still inflamed and if this inflammation is not cleared up, the air passages may be weakened, thus paving the way for pneumonia or serious disease of the lungs.

Nightly applications of Vick's VapoRub will aid nature in relieving this inflammation. Because Vicks acts locally by stimulation thru the skin to draw out the inflammation, attract the blood away from the congested spots and relieve the cough. In addition, the medicinal ingredients of Vicks are vaporized by the body heat. These vapors are breathed in all night long,

bringing the medication to bear directly upon the inflamed areas.

Children's digestions are delicate—easily disturbed by too much "dosing." Vicks, therefore, is particularly recommended since it is externally applied and so can be used often and freely without the slightest harmful effects.

Vicks should be rubbed in over the throat and chest until the skin is red—then spread on thickly and covered with hot flannel cloths. Leave the clothing loose around the neck and the bed clothes arranged in the form of a funnel so the vapors arising may be freely inhaled. If the cough is annoying, swallow a small bit of Vicks the size of a pea.

Samples to new users will be sent free on request to the Vick Chemical Company, 233 Broad Street, Greensboro, N. C.

HOW TO AVOID APPLE SCALD

Scientists Have Discovered That Certain Fats and Oils Reduce Disease to Minimum.

(Prepared by the United States Department of Agriculture.)

Most people have learned that, if they sleep in an unventilated room, they poison themselves with the gases exhaled in their own breath. But it probably has not occurred to many people that apples asleep or semi-dormant—in cold storage—do exactly the same thing. It had not occurred to anybody, in fact, until very recently, when some specialists in the bureau of plant industry, worked it out. It is not always possible to leave the windows open in the sleeping room of the apples, but the specialists have found a way of getting around this difficulty in experimental quantities by the absorption in certain fats and oils of the poison that is breathed out by the apples.

The disease which may be thus caused in apples is known as apple scald, and manifests itself by turning the skin of the apple brown. While the scientists have discovered that the disease is due to a gas or gases breathed out by the apples, they have not been able to identify the gas or gases. But they have discovered that, if the apples are placed in wrappers impregnated with certain fats and oils, the poison is absorbed and the disease either prevented or reduced to a negligible quantity. In barrel experiments in which only part of the fruit was wrapped, the scald was greatly reduced on apples adjacent to the wrapped ones. Ordinary commercial apple wrappers caused little decrease in scald and paraffin wrappers were but little better.

Several other points of importance were determined as a result of the experiments. Mature fruit scalds less than immature, but fruit just changing from green to yellow has scalded worse than either green or yellow fruit. Well-colored red fruit surfaces have been practically immune. Heavy irrigation of apple trees increases the susceptibility to scald in the apples produced. Apples in ventilated barrels developed less than a third as

Grading and Packing Fruit Preparatory to Placing in Cold Storage.

much scald as those in commercial barrels if both were held in a storage room that received occasional ventilation. If the storage room was not ventilated, or if it was only poorly ventilated, the ventilated barrels caused very little decrease in scald. Apples near the aisle or near a door scalded far less than those in the bottom of the stack. Boxed apples exposed to a continuous air current of 38 miles an hour were practically free from scald while similar apples that did not receive the constant fanning became badly scalded. Stirring the storage air was found to be more important than renewing it. Scald was greatly increased on fruit delayed in storage unless well ventilated during the delay.

WAY TO PRUNE RASPBERRIES

Advisable to Perform Operation in Spring When Buds Start—No Detriment to Canes.

It is generally advised to prune raspberries in the spring, and not in fall, because of their liability to die back during winter. If pruned in the fall, the chances are that another pruning would be required in the spring and double labor involved. Even when spring comes it is often prudent to wait till the buds start so that no mistake can be made as to just how far the live wood extends, says a writer in an exchange. There is no detriment to the canes in such a practice, and I have found it of value also in the case of the blackberry, especially in the case of such varieties as the Early Harvest and King, which are injured by severe winters. The position of the blossom buds cannot always be discerned until they begin to open and show white. I have never observed any injury as the result of such late pruning.

FOR STATE SENATOR

TO THE REPUBLICANS OF THIS DISTRICT:

I am a candidate for re-election for the office of Joint Senator for Hancock, Rush and Decatur counties. I feel that you are sufficiently familiar with my work in the past two sessions to enable you to conclude as to my fitness to represent you in the same position, with which you have honored me in the past. If my services in the last two sessions have met with your approval, I will appreciate your support in the coming primary.

My only pledge is the same impartial representation for all of our district that I have given in the past.

Your support will be highly appreciated.

Sincerely yours,

LEM P. DOBYNS

Rushville, Ind.

I N HIS campaign for the Republican nomination for President.

**Governor
Frank O. Lowden**

of Illinois stands for an efficient, economical and business administration of public affairs.

The abolition of the numerous agencies for war purposes which have been continued at an enormous expense in time of peace.

A government by all the people and not by any class.

The ratification of the peace treaty with reservations substantially as proposed by the Foreign Relations Committee of the Senate.

Encouragement of agriculture and recognition that it is and must remain our most important industry.

The exclusion or deportation of aliens who place the red flag or any other flag above our own.

A stalwart, uncompromising Americanism which puts this country's interests first.

A speedy return to normal conditions.

A vote for Gov. Lowden next Tuesday means a successful administration. His record as Governor of Illinois and of his personal affairs should assure you that he is the recognized business man of all the presidential candidates.

For Sure Results
use Calumet. It stands highest in uniformity and leavening strength. There is no more chance for

CALUMET BAKING POWDER

to fail than there is for sugar not to sweeten. That's one reason why there's more Calumet sold than any other brand on earth. Another reason is—because it's absolutely pure in the can and in the baking. And still another reason—it's the most economical to buy and to use—because it costs less further and prevents half-day waste. Every woman who should order a can on trial will find you save when you buy it—
Calumet contains only such ingredients as have been approved officially by the U.S. Food Authorities.
HIGHEST QUALITY HIGHEST AWARDS

FAMOUS OVER NIGHT, MURPHY ENTERS INDIANAPOLIS RACE

Jimmy Murphy, Newest Racing Star.

Flashing from obscurity into sudden fame by winning his first championship encounter, the inaugural race on the Los Angeles Motor Speedway, Jimmy Murphy is losing no time in courting further favors from Dame Fortune, having vaulted into the contest that will determine the world's speed champion for 1920, the eighth annual international 500-mile race for a purse of \$50,000 on the Indianapolis Motor Speedway, Monday, May 31.

Practically an unknown before the Los Angeles event, Murphy demonstrated that he is entitled to rank among the world's greatest drivers by his showing during this contest, winning at an average of 103.2 miles an hour, after a non-stop run.

A brilliant future is predicted for the youthful phenom by racing experts, his headwork during the Los Angeles race being on a par with his driving skill. Content to roll along within striking distance of first place through seven-eighths of the distance, while his adversaries were setting what afterwards proved to be too fast a pace, he came to the fore during the closing moments of the contest and thereafter was never headed.

To win his first championship race is an experience that has never been vouchsafed a driver before, and the fact that Murphy succeeded in turning the trick is held to prove that there is a lucky star somewhere in the firmament that is shedding its divine influence for Murphy's especial benefit.

As a matter of fact, his luck lasted exactly long enough in the Los Angeles race, his supply of gasoline running out on the back stretch while he was making an extra lap of the track after crossing the finish line. Had this happened the lap before, forcing him to walk to the pits for fuel, he would still be a novice instead of the championship contender that he is today.

Tommy Milton, Murphy's team mate and teacher, finished first in the final and winning heat in the recent invitational meet on the Los Angeles speedway, a hint to his former mechanic and protege that the old timer will also be in the running on the big day at Indianapolis.

I Am a Republican Candidate For SHERIFF

Of Rush County, subject to the primary election of May 4, 1920.

I spent 23 1/2 months in the service of my country, 12 of which were spent in France and Germany.

I participated in the two "All American" offenses — the St. Mihiel of Sept. 12, 1918, and the Meuse-Argonne of Nov. 1, 1918. I was on the front at the close of hostilities, after which my division, the 89th, was a part of the Army of Occupation, and was stationed at Treves, Germany.

I need your support and any favors will be greatly appreciated.

She Now Sleeps Like Well Child Whole of Night

Indianapolis Woman Suffering From
Insomnia Finds Relief After
Taking Trutona

Indianapolis, Ind., April 29.—"I simply can not find words to express thankfulness for the relief Trutona has given me, and I am telling all of my friends about it," said Mrs. Mary Mahoney, a well-known Indianapolis woman of 509 Kentucky Avenue, recently. Mrs. Mahoney then continued thus:

"For several years I have been taking every kind of medicine in an effort to get relief from constipation, nervousness and insomnia. For the past six months I could hardly sleep at all. Although I'd go to bed at nine o'clock it would often be early morning before I'd fall asleep."

"I have always been bothered with constipation more or less, until I began using Trutona. I've been taking Trutona for about two weeks now, and the result is that I sleep the whole night long like a well child. I'm not a bit nervous any more and my bowels are as regular as clock-work."

"I've taken a barrel of different medicines but Trutona is the only one that ever helped me. I want every one troubled as I was, to try Trutona for I know it will help them as it did me."

Trutona's healthful action reaches every portion of the body and performs its work faithfully and efficiently. Trutona rebuilds diseased nerves and tissues, creates a healthful appetite, and assists in the assimilation and digestion of the food.

Trutona is now being introduced and explained in Rushville at Hargrove and Mullin's Drug Store.—Adv

ANTONIO MORENO

Antonio Moreno was a small boy when his father died. Eager to assist his mother by sharing part of the family burden he obtained a position as baker's clerk. For this service he received the princely sum of two dollars a week. Although he liked his position, this Spanish lad had dreams of making a fortune. He had seen wealthy American tourists in his native town and they awakened ambition in his breast. He resolved to save his money and go to the land of promise.

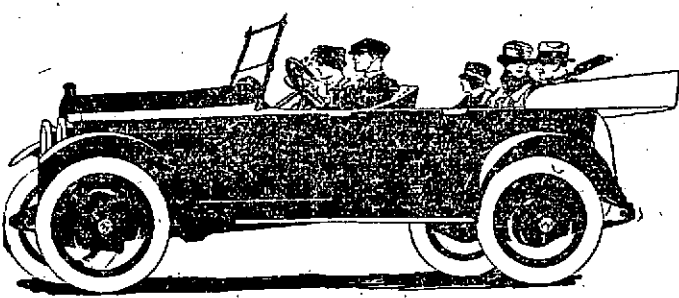

The Americans who visited Campamento were all supposed to be millionaires. Into the mind of Antonio Moreno came dreams, dreams of wealth that lay across the great ocean. He became determined to go to the United States and make a fortune.

When Antonio Moreno, at the age of fifteen, walked up the gangplank from the Gibraltar docks to an American steamship, he was in reality crossing the bridge from nonentity to fame. Aboard the boat was one of America's most distinguished actresses, Miss Helen Ware. Her attention was attracted to the handsome lad with the fiery eyes, and she became interested in him. "What do you intend to do when you reach America?" inquired Miss Ware.

"Make a fortune," promptly replied young Antonio.

Miss Ware smiled at his confidence and replied, "I think you will find both fame and fortune in the theater if you chose to become an actor."

The prophecy is now being realized. Antonio Moreno as the star of such Vitagraph serials as "The Iron Test" and "Perils of Thunder Mountain," is earning international fame and a considerable fortune. While in New York recently he signed a two year contract with the Vitagraph Company and recently finished a serial production dealing with secret service, entitled "The Invisible Hand."

THE ACME LINE

ACME WORM BOUNCER
Bounces the Worms

ACME PIG MEAL
Equal to Milk

ACME CALF MEAL
A Real Milk Substitute

MR. CUSTOMER—

You will find bill of lading enclosed. Keep this bill of lading until goods arrive.

HOW TO FEED ACME WORM BOUNCER

- 1st—Place the Self Feeder where you feed and water your hogs, thereby have the feeder just as convenient as possible. Can be placed out of doors, as there is little or no waste on account of rain. Do not allow cows, calves or horses to have access to the SELF FEEDER. They will break it up. The Self Feeder is for hogs and sheep only.
 - 2nd—If you are feeding your hogs tankage, mix the ACME WORM BOUNCER with the tankage. If 40 hogs are eating 40 pounds of tankage a day, mix 2 pounds of WORM BOUNCER with each 40 pounds of tankage if hogs are in bad condition, or infested with worms, otherwise mix 1 pound of ACME WORM BOUNCER with 40 pounds of tankage.
 - 3rd—Do not feed your hogs salt when feeding ACME WORM BOUNCER, as it contains the small amount of salt that hogs require.
 - 4th—If your hogs are in bad condition, mix about 25 per cent of oats with all the ACME WORM BOUNCER they eat for the first week. The object is to induce the hogs to eat a quantity sufficient to expel the free intestinal worms (if they have any).
 - 5th—To fight worms successfully, you must feed ACME WORM BOUNCER continually. Worms will form in a few days after you discontinue feeding the worm expeller.
 - 6th—NOTICE—ACME WORM BOUNCER is not a remedy which will do everything. ACME WORM BOUNCER is a remedy which will expel the free intestinal worms from hogs, horses and sheep, if they have any, will prevent those worms, keep the appetite good, and the bowels just right (preventing constipation) and thereby prevent over 90 per cent of the so-called HOG CHOLERA for the small cost of about 6 1/2 cents per month.
- ACME WORM BOUNCER does not take the place of feed, neither will it expel any worms except the free intestinal worms. Thorn-headed worms, kidney worms and lung worms cannot be expelled.

**QUEUES LEAVE CHINA
 AS MISSIONS ENTER**

WOMEN and girls in China receive no education except that provided in schools established by American and European missionaries. The woman in China does not occupy the place given her in America.
 Civilization and American missionaries penetrating to various parts of China have Americanized the Chinese so that they are trying in many ways

QUEUE AS COMPASS.

to be like Americans. The queue, now largely discarded in China, has, strange to say, been itself a tool in the educational progress of the land, for where no ruler or compass was available the Chinese have often used their long pig-tails in drawing on the blackboard the circles needed to demonstrate their geometrical problems.

China, with its 400,000,000 population, has only begun to be penetrated, and of the \$7,000,000 to be spent for missionary work by the Board of Foreign Missions of the Presbyterian Church in the U. S. A. in 1920-21 a large share will go to enlarge the work of the 23 Presbyterian mission stations there and the 300 out-stations. The 196 missionaries will be added to by 57 new workers.

**MEDICAL MISSIONARIES
 NEEDED FOR BEST WORK**

CHRISTIAN doctors and surgeons are in great demand as missionaries for the 27 countries in which work is conducted by the Presbyterian Church in the U. S. A. By healing the ills of the body the doctors are able also to heal the ills of the spirit. In some countries the only hospitals are those maintained by Presbyterian mission doctors and nurses.
